## EDUCATION

### Master's in computer application

Graphic Era Deemed University, Dehradun (UK)

2019 - 2022

8.52 CGPA

## WORK EXPERIENCE

### Software Engineer

#### ❖ Nagarro

07/2022 – Present (1.5 years exp.)

Gurugram, India

- Developed a web-based application that transformed an Excel-based micro tool into an efficient online tool. Utilized .NET Core for the backend and Angular for the frontend, with MySQL Server serving as the database, I gained five months of valuable working experience on this project.

Tech. used: C# .NET Core, Angular

- Developed a planner application utilizing .NET Core and Angular. The primary objective of the application is to collect user input and provide personalized recommendations for a battery system project. With one year of hands-on experience in its development, I am currently actively engaged in advancing this project.

Tech. used: C# .Net Core, Angular

### Internship

#### ❖ Nagarro

02/2022 – 06-2022 (0.5 yrs.)

Gurugram, India

- Interned at Nagarro as a Full Stack .NET Core Developer, gaining hands-on experience in cutting-edge technologies such as ASP.NET Core, Microservices, C#, and SQL. Additionally, honed skills in Angular for front-end development. expanding proficiency across the tech stack.

## SKILLS

C#

.NET

Microservices

.NET Core

Rest API

Angular

MySQL

React JS

Node Fundamental

## ACCOMPLISHMENT

- Actively participated in 2-3 HackerRank Problem Solving events, demonstrating consistent commitment and dedication to honing problem-solving skills.
- Achieved a **5-star** rating on Hacker Rank's Problem Solving, showcasing advanced algorithmic proficiency.
- Earned SQL and Angular certifications from HackerRank, showcasing expertise in database management and front-end development.

## LANGUAGES

• Hindi

Native or Bilingual Proficiency

• English

Full Professional Proficiency
